

Land.Start

```
graph LR; A[Land.Start] --> B[Land.SwitchLandStatus]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is gray and contains the text 'Land.Start'. A blue arrow points from the right side of this box to the left side of the second box. The second box on the right is white with a black border and contains the text 'Land.SwitchLandStatus'.

Land.SwitchLandStatus
